

## **Public Meeting Notice / Agenda Deadlines**

The Board of County Commissioners would like to remind everyone of the deadlines associated with the publication of public meeting notices. **Montana Codes Annotated requires public notice of 48 hours on all agenda items and supporting documentation.** These deadlines will be strictly adhered to.

**Tuesday Public Meeting -  
Agenda Item and Supporting Documentation Deadline:  
Noon Thursday**

**Thursday Public Meeting -  
Agenda Item and Supporting Documentation Deadline:  
Noon Monday**

*(In the event of a week-day holiday, the deadlines would be moved back 1 day)*

Please submit agenda items to the Commission office.

We will make every attempt to notify staff and the public of cancellation of public meetings.

Thank you for your continued cooperation.
